MINUTE ENTRY

Numerous pleadings have been presented to the Court that seek entry of judgment against the State of Georgia and other defendants. This Court lacks jurisdiction to enter such a judgment. Additionally, the fourteen page docket reflects continuous re-filings against defendants after partial dismissals, improper service and unfounded legal theories.

As a result,

IT IS ORDERED declining to issue any requested default judgments.

IT IS FURTHER ORDERED vacating the default hearing scheduled on February 11, 2008.
